Hi Alina –

Thanks for sending this along.

We should have a call to move forward in resolving the NOV's.

Vacation schedules are going to be a little limiting, but on our end it looks like we have availability late next week (June 25, 26 or 27th), or after July 8th.

Can you let me know some days/times that work for you & your team?

Thanks!

Eleanor

Subject: Stack Test Report Submittal

Hi Eleanor,

Attached are the electronic versions of the stack test reports for both facilities along with a cover letter with certification.

A CD is in the mail along with the signed copy of the certification.

Please let me know if you need anything else.

Thank you,

Alina
